

Individualized support to promote language and literacy growth and increased community engagement

TUTORING

One-on-one and small-group tutoring allows adult learners to develop English language and literacy skills and gain the confidence they need to set learning goals and reach their potential.

CIVIC ENGAGEMENT

Students learn how to utilize a variety of services—including an orientation to the public library system—and become more active members of their community.

FY18 HIGHLIGHTS

159 trained volunteers provided tutoring for **224** adult learners

90% of post-tested students improved their literacy scores
