

EXPANDED LEARNING PROGRAM

YOUTH OPTIONS UNLIMITED

To partner with children, youth and their parents to create opportunities for socio-emotional, academic and physical growth while fostering resilience in an environment of challenge and respect

In YOU, students ages 12–18 gain the tools and resources they need to reach their potential and become leaders in their community.

Unique components of the program include:

- STEM workshops and summer learning opportunities
- Visionaries, a digital media apprenticeship program
- Peer support groups and individualized counseling
- Leadership development through a student-led youth council
- Mandatory daily homework time

TEAM

Tutoring to Educate for Aims and Motivation (TEAM) invests directly in students' lives through weekly, one-on-one mentoring, job shadowing opportunities and assistance with college and financial aid application processes.

FY18 HIGHLIGHTS

79% of students increased or maintained their GPA

100% of high school seniors graduated and

98% enrolled in college
